Chapter Vitality and Excellence:

The Auxiliary Liaison chaired by Ellen Van Buren and 24 other committee members, continues to support troops in Afghanistan through the baking of cookies. Sixteen boxes of cookies were shipped in late August. Additional deliveries are planned in November in time for the holidays. The post office employees, when seeing our ladies bringing in boxes, make every effort to assist. One person standing in line offered to donate \$20 toward postage. Letters of appreciation continue to be received from the troops.

A seminar at Falcons Landing relating to the MOAA "Personnel Affairs Workbook" checklist is planned for early November. Director Dixie Kenyon has coordinated with MOAA National Staff on the mechanics of compiling the necessary information for the members to complete the document.

The chapter continues to promote an Army JROTC unit here in Loudoun County at a nearby High School. Ms Shirley Bazdar, Director, Career and Technical Education, Loudoun County Public Schools has identified two candidate schools and is very supportive of our efforts as are both school principals.
