

**Military Officers Association of America
Virginia Council of Chapters
Member, Joint Leadership Council (JLC)**

January 25, 2010

Dear: _____

I am visiting your office today, along with Virginia leaders of the Military Officers Association of America (MOAA), during our 13th annual **MOAA Day at the General Assembly**. MOAA is a nonprofit, politically nonpartisan group of active duty, National Guard, reserve, retired and veteran officers and widows/widowers of officers of all branches of service, with approximately **49,000 members in Virginia**. I am a member of one of **eighteen MOAA chapters** located throughout the Commonwealth – all are affiliated with the Virginia Council of Chapters (VCOC) MOAA. The VCOC coordinates the efforts of MOAA chapters and acts as the capstone organization for Virginia MOAA members. The VCOC is viewed by MOAA national headquarters as the leading state council and the most pro-active council concerning state and federal legislative programs.

As a key participant on the Joint Leadership Council of Veteran Services Organizations, the VCOC fully supports the goals and priorities of the **JLC** and we ask that you support and co-patron **key legislation to benefit our active duty military and reserves, Virginia National Guard, veterans and their families in Virginia**.

The website <http://www.VirginiaMOAA.com> contains information about the Virginia Council of Chapters of MOAA, affiliated chapters, and our state and national legislative agenda/activities.

Thank you for your support of Virginia's military community.

Sincerely:

Name _____
