VCOC WEBSITE: VirginiaMOAA.com

Content is provided by VCOC committee chairs & officers for their
portions of the website. Chapters may also provide input that is
applicable state wide or as example for other chapters. There is a page
with chapter synopsis, provided by each chapter. Web site is developed
and maintained using Network Solutions hosting package (annual cost of
package, approximately \$130) server and software. The 2nd VP /
appointed web manager provides the labor for design of and posting to
the website – she says she’s far from an expert (not a “web master”), so
there are no bells and whistles.
