II. Legislative Affairs: Hal Hostetler continues to serve as PACMOAA Legislative Chair and he has been busy recruiting assistance within the Chapter to bolster our legislative team. Hal has sent frequent e-mails to keep membership current on state and national legislative issues, most recently on what will clearly be an assault of military pay and benefits as part of deficit reduction.

III. Public Affairs: After having the position vacant for some time, PACMOAA was able to recently fill this critical job when CWO4 Michael McGlynn, USN (Ret.) stepped up and volunteered. An article on the Congressional Luncheon was sent to the Virginian Pilot but not published.

IV. Chapter Vitality & Levels of Excellence:

a. Self-evaluation score for the Quarter: 62 (Excellent). Chapter needs to work on formally setting and reviewing yearly goals. Chapter also needs to work on getting a copy of the newsletter to VCOC and MOAA's Council and Chapter Affairs Department. Chapter will review self-evaluation checklist with members at November Annual Business Meeting.

b. Levels of Excellence Status: .PACMOAA was awarded 5 Star Level of Excellence for 2010. This is the 1st time PACMOAA applied for this award!!

V. Most Significant Chapter Event of the Quarter: Like most other Chapters, PACMOAA "took the summer off". However many of us did find time on July 17th to join with sister Penninsula and Hampton Roads Chapters for our annual July Sunday Brunch at the historic Chamberlain Hotel adjacent to Ft. Monroe. Our fall kickoff meeting on Sept 8th featured guest speaker BG Mike Bissell (USA) who is Commandant of the Virginia Women's Institute for Leadership(VWIL) at Mary Baldwin College
