**II. Legislative Affairs:** Hal Hostetler continues to serve as PACMOAA Legislative Chair and he has been busy recruiting assistance within the Chapter to bolster our legislative team. Hal has sent frequent e-mails to keep membership current on state and national legislative issues, most recently on what will clearly be an assault of military pay and benefits as part of deficit reduction. Hal has also been busy recruiting political figures as speakers – Portsmouth Mayor Kenny Wright attended our Chapter Christmas dinner and will be the guest speaker at our February meeting, Congressman Bobby Scott is tentatively scheduled to speak at the April meeting.

**III. Public Affairs:** No report.

**IV. Chapter Vitality & Levels of Excellence:**

a. Self-evaluation score for the Quarter: 62 (Excellent). Chapter needs to work on formally setting and reviewing yearly goals. Chapter also needs to work on getting a copy of the newsletter to VCOC and MOAA's Council and Chapter Affairs Department.

b. Levels of Excellence Status: .PACMOAA was awarded 5 Star Level of Excellence for 2010. This is the 1<sup>st</sup> time PACMOAA applied for this award!!

**V. Most Significant Chapter Event of the Quarter:** The October meeting featured President John Rowe and Executive Director of the Portsmouth Volunteers for the Homeless (PVH). PACMOAA members were so impressed with the work of PVH that they will collect supplies for the organization at every meeting. November was the annual business meeting and election of officers for the next year. The Christmas social included great music from the Tidewater Concert Band, dancing, a gift exchange as well as collecting Toys for Tots and supplies for the PVH, and wonderful food and socialization.
