2. **Legislative affairs:** No legislative matters were discussed at the June Chapter meeting due to the diminished attendance of members on vacation.
3. **Public affairs:** PAO Mrs. Joyce Williams has submitted monthly notices of PVC meetings and follow up reports and pictures of participants to the local newspaper, the Farmville Herald. The resultant publicity has been well received. CAPT Joe E. Williams (USAF) and Mrs. Joyce Williams attended the Commissioning Ceremonies at Ft. Pickett for three new second lieutenants into the Virginia National Guard. In addition, they presented JROTC medals and Achievement Certificates to cadets at the Prince Edward and Cumberland High Schools. Similarly, CAPT Ron Pyle USN (ret) presented JROTC medals and Achievement Certificates to cadets at the Lunenburg and Nottoway High Schools.
4. **Chapter vitality and levels of excellence:**
  - a. **Self evaluation score for the Quarter:** Score: 43 Improvement needed. While the Chapter is functioning at a satisfactory level, it appears that a better “paper trail” is required to meet the suggested improvement levels.
  - b. **Levels of excellence Status:** Score: 180. No descriptive term available. Same general comments for improvement apply as noted above.
  - c. There has been no significant change in the above scores since the last quarter.
5. **Most significant event of the quarter:** The guest speaker at the May meeting of the Chapter was Mr. Taylor M. Cole, President, Conservation Partners, LLC of Lexington, VA who discussed the conservation of natural resources for the present and future use of land. Members of this Chapter have participated in Meals on Wheels, Bloodmobile, Lifeline and FACES community programs.
