Legislative Affairs The Chapter is planning to fully support the VCOC and National Legislative issues. Health Care issues impact the whole military community; all our members encouraged to contact Congress with our views.

Chapter Vitality & Excellence

- The Chapter's Exempt Org. Determination Letter Requests (IRS 8718 & 1024) were approved by IRS.
- A Task Force, chaired by 1st V-P Col John Kinniburgh with the Chapter Directors as members is formulating an action plan for our new chapter. Because FL-MOAA is the first exclusive military retirement community MOAA chapter, a number of issues appear to be unique to us. Our limited facilities on-site to support outside members, our Falcons Landing financial system, and the large number of surviving spouse memberships have caused us to focus on residents.

We will provide VCOC and MOAA National our decisions on these issues when finalized.
