2. **Legislative affairs.** No significant legislative matters were considered during the current quarter as these matters were thoroughly discussed in the 3rd quarter.
3. **Public affairs:** On 22 October COL Duane Benton and CAPT and Mrs. Joe Williams attended the Warrant Officer Appointment Ceremonies in the morning followed by the 2nd LT Commissioning Ceremonies in the afternoon at Ft. Pickett. Of this group, 19 new selectees (GMT) were welcomed as potential members. The guest speaker at both events was the Adjutant General of the Virginia National Guard, Major General Daniel E. Long, Jr. He addressed both audiences with a realistic view of what the National Guard faces today.
4. **Chapter vitality and levels of excellence:**
 - a. **Self evaluation score for the Quarter: Score: 55: Excellent. Improvement needed.** While the Chapter is functioning at a satisfactory level, it appears that a better “paper trail” is required to meet the suggested improvement levels.
 - b. **Levels of excellence Status: Score: 200. Meets MOAA criteria for 4 star chapter.** Same general comments for improvement apply as noted above.
5. **Most significant Chapter event of the quarter: Elections for the year 2011 were conducted.** A complete list of new officers is being distributed via e-mail. A modified December meeting was held as a dinner meeting at the annual Christmas dinner at Longwood University. This event supports the Music Department and is also used to fund student scholarships. **Membership: No feedback has been received from any of the GMT prospects or MOAA during this year.**
