IV. Chapter Vitality & Levels of Excellence:

a. Self-evaluation score for the Quarter: 56 (Excellent). Chapter needs to work on setting and reviewing yearly goals. Ensure MOAA receives current Leadership Team roster and membership roster on a yearly basis. Chapter will review self-evaluation checklist with members at November Annual Business Meeting.

b. Levels of Excellence Status: .As above.

V. Most Significant Chapter Event of the Quarter: After an extremely productive 3rd Qtr., our membership chair, LCDR Dolly Cherrington, has continued her winning ways with an addition of two regular memberships and one Life conversion. PACMOAA appears to have been successful in getting support from the USCG Station, Portsmouth for continuing our monthly meetings at their facilities at negligible cost to the Chapter. Our recent monthly meetings have featured outstanding speakers such as Capt (ret) Catherine Wilson who spoke to us about the "Silent Wounds of War Program" in October and Carol Berg who educated us on Operation Homefront in November. And after an unexpected weather delay, our gala Christmas program featuring Toys for Tots and music by the Tidewater Concert Band was a resounding success.
